The 2018 Veterans' Track Mile Race, organised by Isle of Man Veteran Athletes' Club and hosted by Manx Harriers, was held on Wednesday 5 September at the NSC. From the start, the reigning champion, Mike Garrett went into the lead followed closely by Ian Worsford. This duo continued to race closely whilst the rest of the field sorted themselves into their own private battles with Ian Goatman establishing himself in 3rd place ahead of Richard Shipway. Further down the field two stalwarts of the Track, Robbie Lambie and David Anderson, kept close company with Brian Butler.

The final lap saw Garrett shaking off Worsford to retain his title with Goatman taking third place. Griffiths easily took the 1st Lady title ahead of another close race between Nigel Maddocks and Charlie Whipp. Lambie managed to creep ahead of Anderson before putting in a strong finish. Viviana Toro ran strongly and took the 2nd lady award.

IOMVAC would like to thank all the Manx Harriers' officials for enabling this race over the traditional mile distance to continue.
