## **THE COURSE**

A flat or slightly undulating course starting within Ronaldsway Industrial Estate close to the Sefton Express Hotel.

Firstly complete a lap of the Industrial Estate before heading towards the roundabout at the exit of the Estate. From here you complete 2 laps of the following:

Turn left and head towards Ballasalla. Go through Ballasalla - over the level crossing, passing the Whitestone Pub and turning left at the roundabout at Ballasalla Stores. Continue towards Cross Four Ways and onto the Southern 100 course in reverse, passing through Billown and heading towards Ballabeg Corner. At Ballabeg Corner turn left and continue to Ballakeighan Corner where you again turn left onto the Castletown-By-Pass. At Castletown go straight on at the traffic lights at the railway bridge (leaving the Southern 100 course) and keeping left at the next roundabout, pass the Viking &

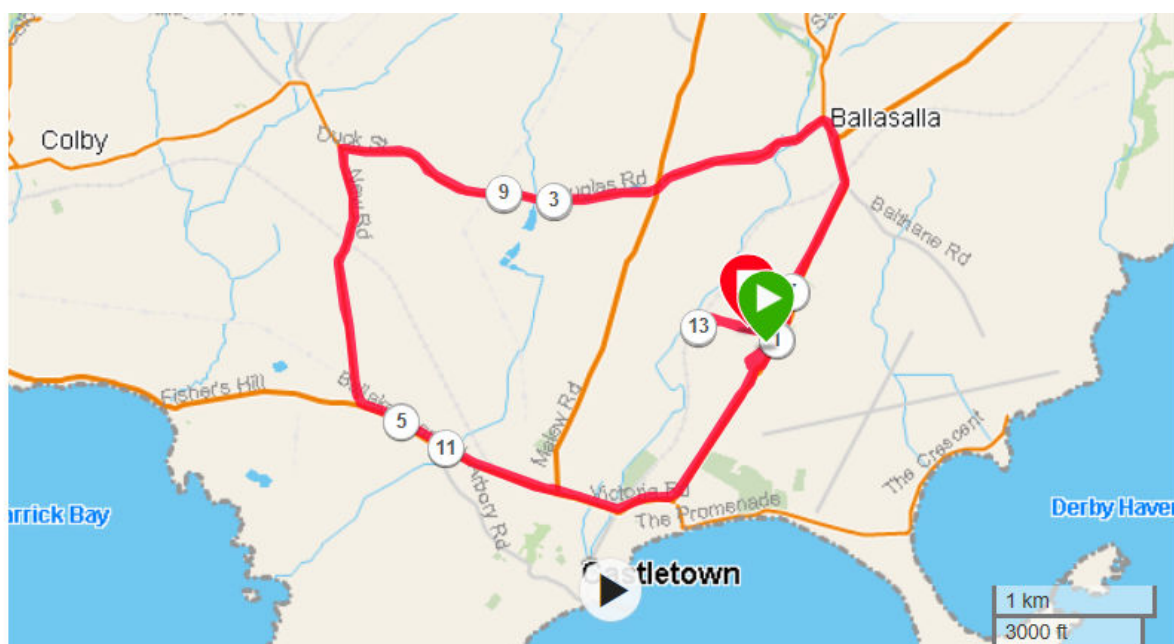

Sidings Pubs and the Station Garage. Turn left at the Janets Corner roundabout, pass King Williams College and back to the Airport roundabout.

After 2 laps, turn back into the Industrial Estate for a further lap of the Estate, following the same route as at the beginning of the race, noting that the Finish Line is close to the lane leading to the old Ronaldsway Social Club.

Runners are advised to **keep to the left at all times in single file** unless otherwise instructed by marshals.

**The race course uses busy, narrow open roads and is not deemed safe for wheelchairs or buggies. It is also not advisable to follow the race in a vehicle.**

**PLEASE REMEMBER THAT YOU WILL BE RUNNING ON OPEN ROADS – PLEASE RUN SENSIBLY AND CAREFULLY.**

### **HEAD-PHONES AND RACE KIT**

As the race is along open roads, and runners must be able to hear marshals' instructions as well as traffic, **HEAD PHONES & EAR BUDS ARE NOT PERMITTED. However, the wearing of 'open ear' headphones will be permitted in line with UKA rules.** Infringements will result in the entrant being open to disqualification and ineligibility for an award  
**For safety reasons Hi-Viz tops or bright clothing must also be worn by all runners and walkers.**

## WATER STATIONS

**DRINKS MAY ONLY BE TAKEN FROM THE DRINK STATIONS PROVIDED BY THE RACE ORGANISER. This is to ensure that all athletes compete on a fair basis. i.e. One runner may not have the advantage over another by having family/friends supplying drinks on demand – a facility not available to all competitors .**

Manned water stations will be situated at Billown Dip and at the start of the Castletown By-pass.

A marshal will transport any competitor's own drinks to the Water Stations from the start area. Please put your own drinks etc into the correct box for the race entered, at least 20 minutes before the start of your race. The boxes will be by the start area.

For your own benefit, please ensure that these are in readily identifiable bottles, or at least have your race number clearly marked on the bottle. Water will also be available at the finish area

## PRESENTATION / BUFFET

The prize presentation and buffet for all entrants will take place at Castletown Civic Hall immediately following conclusion of the race.

Toilets and changing facilities will be available at the Civic Hall, but there are no showers available.
