### Drinks – Ensure you are not disqualified!

#### **DRINKS MAY ONLY BE TAKEN FROM THE DRINK STATIONS PROVIDED BY THE RACE ORGANISER.**

This is to ensure that all athletes compete on a fair basis, ie one runner may not have the advantage over another by having family/friends supplying drinks on demand – a facility not available to all competitors .

We provide water at approx 2.2 mile intervals.

You may supply your own drinks (of any kind) and carry them with you; or bring them to HQ registration and place them in the crates provided by 08.00 when they will be sent to the respective drink station(s). For your own benefit, please ensure that these are in readily identifiable bottles, or at least have your race number clearly marked on the bottle. Indelible ink pens will be available at registration for this purpose.

Water will also be handed out in the finish area.

Anyone flouting these rules will be disqualified.

### Pacing / Supporters – Ensure you are not disqualified!

Any competitor receiving assistance by way of pacing or supply of provisions (eg gels/water etc ) by persons not participating in the race or an official marshal (regardless of whether such persons be on foot, cycle or motor vehicle), shall be liable to disqualification.

**Supporter vehicles are not permitted** as these clog the roads resulting in problems for emergency services.

Please ensure that your supporters read these notes before the start of the race, reminding them that they should not place themselves in positions where they are likely to impede the progress of other runners. Please ask your supporters to park off the course and walk to the course to spectate.

Anyone flouting these rules will be disqualified.

### Isle of Man Marathon Championship

The Championship is open to any entrant who is a member of a local athletic club, namely Isle of Man Veteran Athletics Club, Manx Fell Runners, Manx Harriers AC, Northern AC & Western AC **AND** either

Any competitor eligible to compete in this Championship who finishes in a position that renders him/her eligible to receive an award in both the open race and the closed championship (e.g. *2<sup>nd</sup> overall and 1<sup>st</sup> Manx*) shall receive both awards. Entry to the Isle of Man Marathon Championship is automatically added to local club members when entering the race.

**Please note: Club vests must be worn.**

### Marathon Time Limit

There is a time limit of **6hours** for the Marathon. This is because we cannot keep race officials and first aid support on the road to cover anyone taking longer than this.

**Anyone passing the halfway point after 3 hours will be instructed to finish there.**

### Walkers

Walkers are welcome in both the Marathon and Half Marathon races - subject to the time limit detailed above.

### Prams / Wheelchairs

As the races are held on open roads, prams and wheelchairs are not permitted.

### Post-Race Reception and Results

After the race, printouts of your race time will be available. Live timings and race positions are also shown on a monitor. Completion Certificates will be available on the MRR website: [www.manxtimingsolutions.com](http://www.manxtimingsolutions.com). The post-race reception will be held at Race HQ where a free buffet will be provided for all competitors. Tea & Coffee will be available for purchase. The trophy presentation will be made as soon as race results have been compiled. A full set of results will be on our website within 24 hours: [www.isleofmanmarathon.com](http://www.isleofmanmarathon.com)

### Safety Advice: The wearing of headphones, or similar devices, is not permitted.

From 1 April 2016 a rule regarding the wearing of head phones in road races was introduced by UKA. The wearing of headphones is not permitted in races on any single carriageway road that is not wholly closed to traffic. As the Marathon and Half-Marathon are held wholly on open roads, the above rule will be applied and competitors not abiding by this rule will be disqualified and no time will be recorded. However, the wearing of bone conduction headphones will be permitted in line with UKA rules. It is vital that athletes can hear marshal instructions.

### TROPHIES & PRIZES

There will be a **cash prize of £150.00** for anyone setting a new course record in either race. Currently the records are:  
Marathon – Male 2:30:07, Female 2:46:22  
Half-Marathon – Male 1:07:11, Female 1:15:16

Perpetual Trophies are awarded to the winners of both races and for both sexes.

**Note that perpetual trophies are not allowed to go off island.**

Trophies and prizes are awarded to the overall Winner, Runner-up and Third place in both races and for both sexes. Trophies are awarded to the Winner of each Age Category in both races and for both sexes. Age categories are in 5 year age brackets up to 70+ (details below). Any athlete finishing in the open race in a position that would render him/her eligible for two awards (*for example, 2<sup>nd</sup> overall and 1<sup>st</sup> Veteran over 40*) will receive both awards.

Age Categories Marathon:

Senior, 35-39, 40-44, 45-49, 50-54, 55-59, 60-64, 65-69, 70+

Age Categories Half-Marathon:

Junior, Senior, 35-39, 40-44, 45-49, 50-54, 55-59, 60-64, 65-69, 70+

There will also be Spot Prizes.
